

# Alliant 2

## About Salient CRGT

Salient CRGT is a leading provider of health, data analytics, cloud, agile software development, mobility, cyber security, and infrastructure solutions. We support these core capabilities with full lifecycle IT services and training—to help our customers meet critical goals for pivotal missions. We are purpose-built for IT transformation supporting federal civilian, defense, homeland, and intelligence agencies, as well as Fortune 1000 companies.

Headquartered in Fairfax, VA, Salient CRGT has 22 offices, plus personnel in over 270 locations across the United States and overseas. Our Salient CRGT family includes more than 2,000 experts serving customers worldwide.

## About GSA's Alliant 2 GWAC

The General Services Administration's unrestricted government-wide acquisition contract Alliant 2 (A2 GWAC) is a multiple award, indefinite delivery/indefinite quantity (IDIQ) next generation GWAC that federal agencies can use to purchase IT services. The contract has a \$50 Billion contract ceiling and a five-year base period effective July 1, 2018 with one five-year option.

Alliant 2 has earned a “Best in Class” status from the Office of Management and Budget, offering government agencies the choice to obtain customized, integrated IT solutions and access to “best in class” private sector IT services. The GWAC’s scope includes big data, cloud computing, cybersecurity, agile development, biometrics and identity management, data center consolidation, health information technology, modeling and simulation, mobile IT, web analytics, Internet of Things (IoT), virtual networking and other related IT support services.

*“We are committed to assisting our customer agencies with their digital transformation via multiple contract vehicles like Alliant 2. Salient CRGT has the right talent, IT tools, and solutions to help federal agencies modernize their legacy systems.”*

– Tom Ferrando  
Salient CRGT CEO

## Features and Benefits of the A2 GWAC

Features of the A2 GWAC	Benefits of the A2 GWAC
A \$50 billion-dollar program ceiling and a five-year base period with one five-year option	Allows for long-term planning of large-scale program requirements
Scope aligned with Federal Enterprise Architecture (FEA) and Department of Defense Enterprise Architecture (DODEA)	Conforms to Office of Management and Budget (OMB) policy mandates for IT investments and is consistent with the current IT definition at any given time
All contract types, e.g., fixed-price, cost-reimbursement, labor-hour and time-and-materials	Offers flexibility of contract types for optimal risk mitigation
Access to exceptionally qualified industry partners	Enables innovative solutions at competitive prices from experienced providers
Pre-competed, easy-to-use contract with streamlined ordering procedures based on FAR 16.505	Saves time and money by reducing procurement lead time
Complimentary scope-compatibility reviews	Promotes contract compliance and reduces risk of adverse audits
No protests on orders \$10 million and under; except on the grounds that the order increases the scope, period of performance, or maximum value of the GWAC	Minimizes protest risk and supports timely order award for optimal mission support
